The way of life teaches us the inevitable, but we cannot escape how it touches our hearts. We are grateful to have had the chance for our lives to cross paths, it leaves an everlasting indelible impression upon us. Tony's person was such of a quiet spirit, warm smile, and professionalism in his work ethic and demeanor.

Join me and the entire Custodial Operation in remembering our co-worker and friend, Mr. Tony Huang, he will never be forgotten.

The following is from Mission Bay, we give our appreciation to Melanie and her staff for sending their condolence, thoughts, and prayers.

Tony was a treasured member of the Mission Bay team. He will be missed and fondly remembered. Tony was the first to arrive to the branch each morning, and as the rest of us arrived to work, Tony greeted each of us with a "good morning" and a smile, a small act that never failed to set a warm and welcoming tone for the day. Tony was a kind man known for his exemplary work ethic. We are saddened by this loss and our thoughts are with his family.
