KNOW MY NAME

a memoir

CHANEL MILLER

"In this powerful, gutsy memoir, Miller—the sexual assault survivor in the Stanford case—reclaims her name and her story."
—THE NEW YORK TIMES BOOK REVIEW

NEW YORK TIMES BESTSELLER

"You have to hold out to see how your life unfolds, because it is most likely beyond what you can imagine. ... Good things and bad things come from the universe holding hands. Wait for the good things to come."

"Even if elements of my physical self had diminished, I believed they could be restored. I trusted that when I gave my body love, soft touch, stretching, sunlight, strength, and sex, what was lost would be regrown in new form."

Chanel Miller Quotes IG Campaign & Art Give Away

MY COMMUNITY taught ME
THAT MY WORDS hold WEIGHT,
THEY HOLD WORTH.
Being HEARD shouldn't be
AN unexpected gift,
it should be A GIVEN.
I was saved
because PEOPLE LISTENED.
